

2025 International Conference on

Multimedia Analysis and Pattern Recognition (MAPR 2025)

<https://mapr.uit.edu.vn>

Nha Trang, Vietnam, August 14-15, 2025

Call for Papers

After the success of MAPR 2024, we are pleased to announce the 8th International Conference on Multimedia Analysis and Pattern Recognition (MAPR 2025), supported by the Vietnamese Association on Pattern Recognition (VAPR). The conference will be held in **Nha Trang, Vietnam, on August 14-15, 2025**.

The aim of this conference is to bring together researchers and practitioners from academia and industry to share their latest research findings, experimental results, and foster potential collaborations in the areas of pattern recognition, multimedia analysis, and related fields

Conference Topics

We welcome submissions of original, unpublished research papers on topics related to, but not limited to, the following:

- **Pattern Recognition and Machine Learning:** Deep learning architectures, Transfer learning, Graph neural networks, Few-shot and zero-shot learning, Explainable AI
- **Multimedia Analysis and Computer Vision :** Image and video analysis, Generative models, Multimodal learning, Vision for robotics, Egocentric vision
- **Natural Language Processing:** Large language models (LLMs), Text generation, Multimodal NLP, Sentiment and emotion analysis, NLP for healthcare
- **AI Applications in Healthcare:** Medical imaging, Personalized medicine, AI for mental health, Explainable AI in healthcare, Public health analytics
- **AI in Security:** Adversarial attacks and defenses, Intrusion detection, Anomaly detection, Threat intelligence, AI for access control
- **Applications:** AI in agriculture, Assistive technologies, Environmental monitoring, Multimedia search engines, AI in finance

Paper Submission and Publication

Authors are invited to submit anonymous papers in the IEEE standard format, with a maximum of 6 pages including figures, tables, and references. Submissions must conform to the guidelines for double-blind review.

Accepted papers will be submitted for inclusion in IEEE Xplore, subject to meeting IEEE Xplore's scope and quality requirements.

Important Dates

- Paper Submission Deadline: **May 01, 2025**
- Paper Acceptance Notification: **Jul 01, 2025**
- Camera Ready Deadline: **Jul 07, 2025**
- Author Registration Deadline: **Jul 07, 2025**
